Product Change Notification

PCN-no. Ä5847

Product:	M12/M8 SMT Flansche	Date of Publikation:	2015-10-09
Product Specifications:	N.A.		
Description of Change:	Vergrößerung der Lötblechfläche um 1,2 mm ²		
Type of Change:	Maior (A) - oder Minor (B) - change Keine Auswirkung auf die Anwendung und den Einsatzbereich der SMT-Flansche. Die Umstellung erfolgt auf dem gleichen Basis-Material. Lediglich die Auflagefläche wurde geändert.		
Reason of Change:	Verbesserung der Stabilität Optimierung der Verarbeitung im Herstellprozess		
Implementation date:	Ab dem 15.10.15 werden die Neuproduktionen ausschließlich mit dem neuen Lötblech produziert.		
Originator:	Werner Schmidt, R&D-Manager		
Customer information:	Im Umlauf befindliche Produkte mit dem vorherigen Lötblech können uneingeschränkt weiter verwendet werden. Aufgrund vorhandener Lagerbestände besteht die Möglichkeit, dass bei Lieferung in Einzelfällen noch Flansche mit dem vorherigen Lötblech geliefert werden. Ebenso ist eine Mischlieferung möglich.
